

# Renault KWID

KWID

# Live for more

Live for discoveries. Live for adventure. Live for excitement. Welcome to the world of the Renault KWID. The KWID's design strategy symbolizes dynamic performance, robust strength and a taste for adventure. Its SUV-inspired stance offers a high driving position and greater visibility, making it ideal for zipping around in urban traffic or roaring down the open highway. Go ahead, make the most of every day.

# Live for more Style

The Renault KWID is designed to turn heads. Its SUV-inspired design with short front and rear overhangs along with **high ground clearance** exudes an impression of strength and robustness. The **bold, structured grille** design highlights the Renault diamond logo, while the headlights incorporate Renault's new lighting signature with a **C-shaped** chrome trim. Stylish **fog lamps** further enhance the Renault KWID's striking stance. The chiselled, muscular front end flows into a dynamic profile, accentuated by turn **indicators on the fender** cladding.

The sculpted sides provide a fluid, dynamic touch with the rectangular forms of the black wheel arches, further accentuating the Renault KWID's SUV breeding. The steeply-raked, **forward-positioned windscreen** lends a sense of movement and fluidity to the car's high waistline. The lower part of **the rear bumper** comes with a black trim, another SUV cue. While the **integrated roof spoiler** adds to the car's dynamic stance.

The Renault KWID's interior carries forward the same bold styling as the outside. The horizontal, uncluttered lines of the **dashboard** convey an impression of width and refinement. The digital instrument cluster and **piano black centre fascia with chrome surround** harmoniously houses the centrally-positioned MediaNAV system, creating a contemporary, high-quality feel that combines style and practicality. The chrome highlights continue on the side AC vents and control knobs, lending the Renault KWID a sophisticated edge.

The black, red and grey fabric of the **ergo smart cabin** further gives the Renault KWID's interiors a sporty feel. The **chunky steering wheel** provides for an enhanced grip, while the 4-way adjustable driver seat means that you can find the most ideal driving position.

# Live for more Comfort & Convenience

Make the most of your weekends with the Renault KWID's ergo smart cabin. **Class-leading space** that comfortably seats 5 complements a host of thoughtful features. The Renault KWID's adaptable ergonomic seats offer superior comfort and a high driving position for better visibility, while the **electric power steering** and one-touch lane change indicator make driving a breeze. **Power assisted windows** bring convenience to your fingertips while the **powerful air-conditioning** with heater makes every drive pleasant. All of these controls are easy to reach from both the driver and passenger sides.

Innovative **smart storage spaces** like the three set glove compartments, floor and door side console and centre console with bottle holders let you carry all essentials in the cabin at close reach. The Renault KWID's **class-leading boot space** of 300 litres can be extended up to 1115 litres, making it the perfect partner for a long road trip. The Renault KWID also comes with added features like **intermittent wipers** and a **power socket** to ensure that your phone's battery never runs out of charge. Getaways have never been this comfortable and convenient.

# Live for more Technology

Find your way to a new adventure. The Renault KWID comes with a state-of-the-art, user-friendly **MediaNAV** multimedia and navigation system which features a first-in-class **seven-inch (18 cm) touchscreen display,** complemented by two speakers in the front. The MediaNAV system comes with a range of functions such as navigation with **turn by turn voice guidance, Bluetooth audio streaming & hands-free telephony,** USB & AUX–input ports and speed sensing volume control.

The innovative and easy-to-read **digital instrument cluster** with on-board trip computer provides valuable information such as average fuel consumption, distance to empty, average speed and more, while the **gear shift indicator** helps you achieve optimum fuel efficiency. The Renault KWID also comes with the convenience of **remote keyless entry** and **one-touch lane change indicator** that further simplifies your drive experience.

# Live for more Performance & Safety

The Renault KWID is powered by a SCe - Smart Control efficiency engine with advanced technology for accurate air to fuel ratio monitoring. A knock sensor automatically adjusts spark advance to fuel quality, to help deliver optimized performance and fuel efficiency of 25.17 kmpl\*. The suspension system of the Renault KWID is calibrated for optimum ride, handling and braking, providing for a comfortable, safe drive. The high ground clearance of 180 mm lets you take on any challenge with ease.

When it comes to safety, there can be no compromises. The Renault KWID comes equipped with a **driver side airbag**<sup>#</sup> and **central locking** system. The **front disc brakes** ensure you're equipped for all weather conditions and road surfaces, while the **high mount stop lamp and audible parking brake warning** let you be at complete peace of mind all through the journey.
